## EASTER

### A GREAT TIME TO ASK A FRIEND

**It's true!** Your friends may come if you invite them. Most people are willing to 'go to church' on Easter Sunday. You would be surprised how much the average person 'thinks about' God this time of year. Who knows? Maybe God will stir up conviction when they are here through the proclamation of the Gospel or through the worship of His people. It is possible! Pray, seek, ask, pray, trust, wait, etc.

1. **Write** down the names you are thinking of while they are fresh in your head.
1. **Grab** some INVITATIONS in the foyer.
2. **Give** them out & say a kind word.

### A Minute With Matt

Were you alone with God this week?

Did you thank Him for His Blood? Hmm...

He is powerful actually, He is power!

God is not measured by power, power is measured by God.

That is why life without God is dull & meaningless.

Jesus is not the final piece to the puzzle of your life,

He is your life, or you have none. That puzzle will not last, but

There IS power in the Blood!
