

## 2010 Theme: Share Your Faith

As followers of Christ, all our major themes are picked out for us. This church has so many strong and wonderful fruits of the spirit woven into the fabric of our lives. Yet we all know there is plenty of room for improvement when it comes to sharing our faith with others. "Go into the entire world and tell the good news to all creation." *Mark 16:15*

You know who said that: He who breathed the universe into existence; he who died to save you from your sins and makes you a new creation. The one who even now walks among his churches!

*These are the question we want you to ask each other all year:*

- 1. Did you share your faith this week?**
- 2. Did you speak a word for Christ this week?**
- 3. Did you invite someone to church?**

Your elders and ministers have committed to do these things every week, at least once, all year. We want you to join us. Each week share your faith, speak a word for Christ, or invite someone to church – at least once. If all 140 do this – the good news will be shared over 7000 times this year just by those who fill this auditorium.

Every Adult and Child Bible class, every Life Group should start by asking these three questions. 1 or 2 people report how it went from their seats... just for a minute or two.

So call it a theme, a focus, or just us carrying out our marching orders from Christ – *Share you Faith this year.*
