

# LADIES' RETREAT SERVICE PROJECT

**We hope that each congregation represented at the retreat will make one no-sew blanket. We will assemble the blankets at the retreat and donate them to Project Linus.**

## **Project Linus' Mission Statement:**

It is our mission to provide love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans, lovingly created by volunteer "blanketeers."

Interested in more information on this organization? Visit [www.projectlinus.org](http://www.projectlinus.org).

## **HERE'S WHAT TO BRING FOR 1 BLANKET\*:**

- 2 pieces of Polar fleece cut to 48" x 60". (Make sure that the 2 fabrics coordinate. One print and one coordinating solid work well together.)
- 2 pairs of sharp scissors to cut the fringes. (You'll take these back home.)

\* Please only bring materials for 1 blanket per congregation; we will assemble the blankets at camp. Each blanket will take about 30 minutes to assemble. Blanket Kits (with the fabric already pre-cut) can be purchased in craft stores and they are also welcomed. Are you the only person from your congregation attending the retreat? Please come without any materials and we will place you in another group!
